HERBAROM

LABORATOIRE

Créé en 1994 dans la Drôme, Herbarom Laboratoire est spécialisé dans la fabrication et le négoce d'huiles essentielles. Avec plus de 500 clients satisfaits à travers le monde, notre expertise s'appuie sur :

- des produits d'origine issus de plus de 20 pays
- des partenariats avec des producteurs et distillateurs
- plus de 800 tonnes de plantes distillées dans notre propre distillerie et 180 ha de cultures contractualisés
- un laboratoire d'analyses interne

et vous garantit :

- **qualité et traçabilité** : 100 % des produits analysés et garantis (GC/MS)
- **disponibilité** : plus de 250 huiles essentielles référencées dont 50 certifiées biologiques en stock
- **réactivité** : expédition sous 48h d'1 kg à 1 tonne (échantillons sur demande)
- un accompagnement technique et réglementaire.

Notre principale ambition : votre satisfaction.

Created in 1994 in the southeast French county of Drôme, Herbarom Laboratoire specialises in making and trading essential oils. With more than 500 satisfied customers worldwide, our expertise is based on:

- *products grown in, and sourced directly from, more than 20 countries*
- *partnerships with producers and distillers*
- *more than 800 tons of plants distilled in our own distillery, and 180 ha of crops under contract*
- *an analytical laboratory*

And guarantees you:

- *quality and traceability: 100% of our products are analysed and guaranteed (GC/MS)*
- *availability: more than 250 essential oils in stock, of which 50 are certified organic*
- *responsiveness: orders shipped within 48hrs, from 1 kg to 1 ton (samples on request)*
- *technical and regulatory support.*

Our core ambition? Your satisfaction.
